**Denotes applications being placed on the Consent Calendar.*

+Denotes applications under simultaneous review.

This is to provide official notification that the Certificate of Need applications listed below have begun the review cycle effective **October 1, 2008**. The review cycle includes a 60-day period of review by the Tennessee Department of Health or the Department of Mental Health and Developmental Disabilities. Upon written request by interested parties the staff of The Health Services and Development Agency shall conduct a public hearing. *Certain unopposed applications may be placed on a "consent calendar." Such applications are subject to a review less than 60 days including a 30-day period of review by the Department of Health or Department of Mental Health and Developmental Disabilities. Applications intended to be considered on the consent calendar, if any, are denoted by an asterisk.*

Pursuant to T.C.A. Section 68-11-1609(g)(1), any health care institution wishing to oppose a Certificate of Need must file a written objection with the Health Services and Development Agency and serve a copy on the contact person for the applicant no later than fifteen (15) days before the agency meeting at which the application is originally scheduled for consideration.

For more information concerning each application you may contact the Health Services and Development Agency at 615/741-2364.

The addition of thirty (30) neonatal intensive care unit (NICU) beds at the replacement hospital (approved by CN0609-076) located at the corner of Poplar Avenue and North Dunlap. Construction of the new hospital is underway. This project will require additional construction to build out 24,000 square feet of approved shelled space to accommodate the new beds. Methodist LeBonheur currently has thirty (30) licensed NICU beds. The new hospital will open with a total of sixty (60) licensed NICU beds. Methodist LeBonheur will transfer ten (10) NICU beds from Methodist North Hospital and the other twenty (20) will be new NICU beds. Methodist LeBonheur (225 Licensed beds) and Methodist North Hospital (260 licensed beds) are two of five hospitals under the Methodist Healthcare-Memphis Hospitals' 1,563-bed license. The project will increase the total licensed beds to 1,583 by increasing Methodist LeBonheur's to 255 and decreasing Methodist North to 250. The bed complements of the three other hospitals under the Methodist Healthcare-Memphis Hospital's license are not affected by this project. The project does not contain any major medical equipment or initiate or discontinue any health service.

The construction of a six (6) bed neonatal intensive care (NICU) nursery and the initiation of Level II-B NICU services. StoneCrest Medical Center is a licensed seventy-five (75) bed general hospital. It is now implementing a Certificate of Need to expand to 101 hospital beds. This proposed project will add another six (6) licensed NICU beds, increasing the hospital's approved complement to 107 licensed beds, at which time Southern Hills Medical Center (another hospital owned and managed by HCA) will delicense its six (6) bed NICU nursery, reducing its hospital license from 120 to 114 hospital beds. The project does not contain major medical equipment or initiate or discontinue any other health service, or change any other licensed beds in the area.

The discontinuance of obstetrics (OB) services. Southern Hills Medical Center is licensed for 120 hospital beds. The project does not contain major medical equipment or initiate or discontinue any other health service, or change any other facility's licensed bed complements. However, Stonecrest Medical Center another hospital owned by HCA is seeking CON approval to add a licensed six (6) bed NICU service in a companion application filed simultaneously with this application. If both are approved, Southern Hills Medical Center will delicense its six (6) bed NICU nursery service upon licensure of the StoneCrest Medical Center nursery, reducing Southern Hill Medical Center's license to 114 hospital beds.
